DOG OBEDIENCE TRAINING (BEG) (6ACE 237). If you're looking for a fun, challenging course that will help you deal with real world situations, then this is for you. Offered through Willing Partners Canine Education, the basic class addresses all the base commands; heel, sit, down, come, stay. Our dogs have to obey us even if other dogs are nearby, or kids are playing ball or someone is coming in the house. So, if you are tired of your dog jumping on people, counter surfing for food, pulling you down the block when you walk them, barking at the dog next door then this is the class for you. All dogs wanting to move on to the agility class must complete the basic obedience class first. Expect to have fun, be challenged, learn a lot and end up with a great dog.
